Technical comments:³ The Chapter 99 reference in the proposed article description in the bill (i.e., 9902.32.59) expired on January 1, 2004. The HTS subheading should instead read "2909.49.60".

³ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
